## MUNICIPAL BY-LAWS.

### THE CORPORATION OF THE TOWNSHIP OF SPALLUMCHEEN.

#### BY-LAW No. ....

A BY-LAW TO PROVIDE FOR THE DEEPENING OF THE OTTER CREEK DRAINAGE SYSTEM IN THE MUNICIPALITY OF SPALLUMCHEEN, AND FOR BORROWING ON THE CREDIT OF THE MUNICIPALITY THE SUM OF THREE THOUSAND DOLLARS FOR COMPLETING SUCH WORK.

**WHEREAS** it is deemed expedient to deepen the Otter Creek Drainage System in the Municipality of Spallumcheen, and to borrow on the credit of the said municipality the sum of three thousand dollars (\$3,000) for completing such work:

And whereas, pursuant to the provisions of section 112 (4) of the "Municipal Act," R.S.B.C. 1936, chapter 199, the Municipal Council of The Corporation of the Township of Spallumcheen procured an examination to be made by D. K. Penfold, District Engineer, Water Rights Branch, being a person competent for such purpose, of the said Otter Creek Drainage System proposed to be deepened, and has also procured plans and estimates of the work to be made by the said D. K. Penfold, and an assessment to be made by him of the lands and roads to be benefited by such deepening of the said Otter Creek Drainage System,

stating as nearly as he can the proportion of benefit which, in his opinion, will be derived in consequence of such deepening of the said Otter Creek Drainage System by every lot, or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said D. K. Penfold in respect thereof and of the said deepening of the said Otter Creek Drainage System being as follows:—

#### "REPORT ON PROPOSED COMPLETION OF DRAINAGE SCHEME THROUGH OTTER LAKE VALLEY, SOUTH OF ARMSTRONG, WITHIN THE SPALLUMCHEEN MUNICIPALITY.

##### "General.

"A portion of this scheme, from Armstrong to approximately the north end of Otter Lake, was carried out during 1945, and within the limitations of any part scheme has given very satisfactory results. The effectiveness of the scheme as a whole, however, depends largely on the lowering of Otter Lake, which in turn involves the deepening of the creek channel from the lake outlet to a point 5,880 feet south of the O'Keefe Road Bridge. Widening and clearing of this section of the channel was carried out by relief-work during 1938, but owing to lack of maintenance its capacity has since become considerably reduced. There appears to be no doubt that the condition of adjacent lands has correspondingly deteriorated.

##### "Grade.

"The valley-floor between Otter Lake and O'Keefe Bridge is extremely flat, and it is impossible to obtain a better creek-floor grade than 1 in 6,000. On this grade a channel width of 25 feet would be desirable to handle the maximum flood run-off. As this would involve an excavation cost which could hardly be justified under existing conditions, the excavation of a trench in the creek-bed which would lower the water-level of Otter Lake at least 2 feet is indicated.

##### "Work proposed.

"It is therefore proposed to excavate a trench approximately 3 feet deep and not less than 6 feet wide between the south end of Otter Lake and the O'Keefe Bridge, a distance of 16,000 feet, continuing this trench into the bed of the lake as far as necessary. South of the O'Keefe Bridge the depth of excavation drops rapidly and tails out entirely at a point 5,880 feet down-stream. The width of the trench should be increased to 10 feet over this length and local bends in the channel straightened out. Brush and other channel obstructions will be removed where these are within reach of the excavator, which will operate from one bank only. The total length of channel improvement, including the lake-bed at the outlet, will be about 22,700 feet.

##### "Cost.

"I would estimate the cost of this work as outlined at \$3,000; provided always that the work is carried out during dry conditions suitable for the operation of mechanical equipment.

"(NOTE.—On completion of the above and after the lowering of the Otter Lake level, work remaining to be done in the lake-bed at the north end and through the reedy swamp adjacent, which could not be done earlier, due to local conditions, could now be advantageously completed. For this purpose there is a sum available, raised under a previous by-law covering this length. This sum is not included in the assessment set out below, which forms part of this report.)

##### "Plans.

"A profile showing the varying depths of the cut for the proposed trench accompanies and forms part of this report.

“ Working plans and profiles showing more details are available when required.”  
And whereas the said Municipal Council is of the opinion that the deepening of such stream, creek, watercourse, or drainage system is desirable:

Be it therefore enacted by the said Municipal Council of the said The Corporation of the Township of Spallumcheen, pursuant to the provisions of the “ Municipal Act ”:—

1. That the said report, plans, and estimates be adopted, and the said deepening of the said Otter Creek Drainage System, and the works connected therewith, be made and constructed in accordance therewith.

2. That the Reeve of the said The Corporation of the Township of Spallumcheen may borrow on the credit of the Corporation of the said township the sum of three thousand dollars (\$3,000), being the funds necessary for the work, and may issue debentures of the said Corporation to that amount in sums of not less than fifty dollars (\$50) each, and payable within fifteen years from the date thereof, with interest at the rate of three and one-half per centum (3½%) per annum; that is to say, the said principal sum shall become due and payable in manner hereinafter mentioned on the                    day of                   , A.D. 1961; and the interest thereon at the rate aforesaid shall become due and payable on the day of                    in each year, commencing on the                    day of                   , A.D. 1947; such debentures and interest to be payable in Canadian dollars at the Canadian Bank of Commerce, in the City of Armstrong, in the Province of British Columbia, and to have attached to them coupons for the payment of the aforesaid interest: Provided, however, that the said Municipal Council may, at its option, to be exercised by resolution, on any of the aforesaid dates specified for the payment of interest, call and redeem before maturity any one or more of the said debentures (to be determined by lot) at par value, by giving to the holder or holders thereof thirty days' notice in advance of the proposed redemption date (such notice to be by advertisement in one issue of a weekly newspaper circulating in the said municipality, specifying the numbers of the debentures so called) and by depositing in the said Canadian Bank of Commerce, at the City of Armstrong aforesaid, a sum sufficient for the redemption of the debenture or debentures so called, together with accrued interest thereon; and no further interest shall be payable in respect of any debenture or debentures so called.

3. That for the purposes of paying the sum of three thousand dollars (\$3,000), being the amount charged against the said lands so to be benefited as aforesaid, other than lands belonging to the said municipality, and to cover interest thereon for fifteen years at the rate of three and one-half per centum (3½%) per annum, the following special rates, over and above all other rates, shall be assessed and levied upon the undermentioned lots and parts of lots; and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively shall be divided into fifteen equal parts, and one such part shall be assessed and levied as aforesaid in each year for fifteen years after the final passing of this by-law during which the said debentures have to run.

Read a first time by the Municipal Council this twenty-first day of September, A.D. 1946.

Read a second time by the Municipal Council this twenty-first day of September, A.D. 1946, pursuant to section 49 of By-law No. 57.

Read a third time by the Municipal Council this twenty-first day of September, A.D. 1946, pursuant to section 49 of By-law No. 57.

Provisionally adopted by the Municipal Council this twenty-fourth day of September, A.D. 1946.

Reconsidered and finally passed by the Municipal Council, this                    day of                   , A.D. 1946.

Reeve.

Clerk.

I hereby certify the foregoing to be a true copy of the original by-law passed by the Municipal Council of The Corporation of the Township of Spallumcheen, sealed with the seal of the said Corporation, and dated the day of                   , A.D. 1946.
